Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: In a telephone conversation with J. Daniel Lykins, Applicant's Representative, on April 13, 2007, Applicant's Representative informed Examiner that a response to the October 5, 2006 Office Action was prepared, but inadvertently was not filed. Examiner checked the IFW file to see if a response was scanned in but not forwarded to Examiner, in the event that a response actually was filed, but no response was in the IFW file. Examiner notified Applicant's Representative that a notice of abandonment would be filed. Applicant's Representative stated that a petition to revive abandoned application would be filed.
